

Important Update

March 12, 2020

The *Assessment 20/20 Conference*, co-presented by The Alberta Assessment Consortium (AAC) and the Canadian Assessment for Learning Network (CAfLN), scheduled to take place in Edmonton, Alberta from April 30 - May 1 has been postponed until October.

The Boards of both organizations have been monitoring the escalating spread of the COVID-19 virus and have made this decision in everyone's best interests. To those who have registered, we want to thank you for your commitment to professional learning and for your patience.

Our current plan is to reschedule the pre-conference, conference and the CAfLN symposium for late October. However, this decision will be reviewed during the coming months.

We will communicate via email over the next few days with those who have previously registered. In the meantime, please cancel any travel arrangements you have made, such as hotels and airline reservations.

Sincerely,

Amber Darroch

Chair, Alberta Assessment Consortium
